

Dear group leader,

As you may be aware, the **Medicine Hat Astronomy Club** is a non-profit organization which operates the **Sunridge Observatory**, North of Highway #3 on Range Road 72 and has been providing presentations and viewing sessions to local groups such as yours since 1981.

Few people ever forget their first view of another world through a telescope.

The **Medicine Hat Astronomy Club** would like to invite you to take advantage of a group tour at the **Sunridge Observatory**. Our classroom can accommodate up to 40 people and will provide a speaker(s) and telescope time with enough time and clear sky. Presentations are given on general astronomy, the seasons, phases of the moon, eclipses etc. With enough notice, **MHAC** can create a customized presentation, tailored to cover any specific areas or interest. As always, **MHAC** will be willing to answer or assist in finding the answers to all of your questions. We also have an extensive library of science related books.

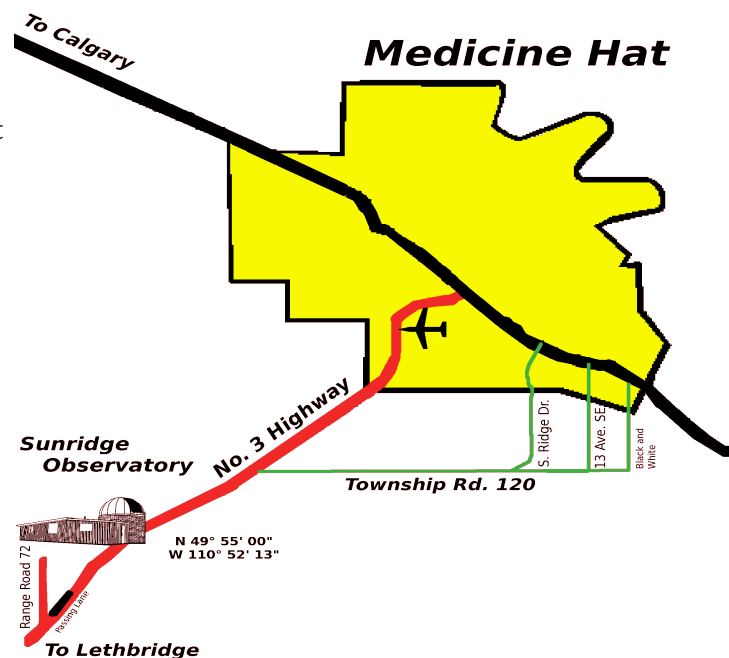

To help cover operational costs, such as heat, lights and maintenance, **MHAC** kindly ask for a minimum fee of \$2 per person or \$50, whichever is greater. We can also create customized handouts for your group with enough notice.

The **Medicine Hat Astronomy Club** looks forward to welcoming your group at **Sunridge Observatory**.

Please fill in the form and email it to one of listed club members. The Medicine Hat Astronomy Club uses **Stellarium**, a free and open source planetarium for your computer. Stellarium can be downloaded at www.stellarium.org.

The **MHAC** has a public open house, the second Saturday of every month, at 19:30 (7:30pm), weather permitting.

Please dress accordingly. Viewing will be at outdoor temperatures.
